Friday 24th August 2018 - Pre Festival Camping Bonus

Stonedead Festival has the pleasure of announcing the full bonus Friday line up in conjunction with **TOTALROCK.COM**. This event is exclusively for people who book camping tickets at Stonedead.

The Friday Rock Show has been set up to honour the name of the late great **Tommy Vance** (the stage for Saturday the 25th has been named The Tommy Vance Stage in his honour). This anniversary date could not go by without celebrating the effect **Tommy Vance** had on the world of rock music

The venue capacity is 700 and we are very close to selling out. It is going to be an amazing night showcasing up and coming British talent, **Unknown Refuge** and **Theia** who both impressed the Stonedead Audiences in the "**Battle of the Bands**" that we wanted you to be able to hear them too! We also have the experienced and highly accomplished **NGS** who bring their No frills, No Fuss high octane rock. If that was not enough in itself **TOTALROCK.COM** are providing the greatest **DJ** sets to add to the all out rocking experience!
