NEWARK SHOWGROUND

Stonedeaf 2020 is an outdoor one day, one stage, monster of a festival where rock music reigns eternal. Stonedeaf is now firmly placed on the rock festival map and places the rock fan experience at its core. Come and see it for yourself!

BLACK STAR RIDERS are currently one of the greatest rock bands around. Formed in 2012 with **Ricky Warwick** (Vocals), **Scott Gorham** (Lead Guitar), **Robbie Crane** (Bass) **Chad Szeliga** (Drums) and **Christian Martucci** (Lead Guitar). They are often billed as the next step in the evolution of **Thin Lizzy**. However **BSR** offer far more than that: rock anthems with skilfully intertwined guitars, extremely powerful vocals with a unique sound designed to leave you wanting more. Certainly a fitting headline act for the **Stonedeaf 2020 Tommy Vance** stage.

World-renowned New York AOR melodic hard rockers **Tyketto**, fronted by **Danny Vaughan** offer a plethora of trademark melodies filled with riffs that fans know and love.

Southern blues influenced hard rock doesn't get much better than the **Kris Barras Band** fronted by UK guitarist and vocalist **Kris Barras**; it is an explosion of gritty, hard rock blues, with killer riffs.

Birmingham's very own **Blaze Bayley** returns to Newark having previously performed in 2018 with **Wolfsbane**; this time bringing a UK summer exclusive of his **Iron Maiden** years.

Tygers of Pan Tang hail originally from Whitley Bay and fully capture the raw spirit of classic **NWOBHM**. **Tygers of Pan Tang** bring their full swagger and galloping riffs for our pleasure and enjoyment.

Myke Gray from the hard rock band **Skin** has joined with **Kim Jennett**. This collaboration brings a new vibe to **Skin** songs, as well as showcasing her own material; the songstress exudes a passion for rock'n'roll.

The legend that is **Krusher Joule** will once again be acting as compere for the day. **Stonedeaf's** stellar line-up aims to excite both classic and new rock fans in providing a unique one day, one stage festival where the music is loud, the beer and food are priced competitively and you can camp / park 5 minutes from the arena.
