**Now in its third year, Stonedeaf 2020 is an outdoor, one day, one stage, monster of a festival where rock music reigns eternal. Stonedeaf is firmly placed on the rock festival map and places the rock fan experience at its core. Come and see it for yourself!**

**BLACK STAR RIDERS** are currently one of the most exciting bands in the rock world. Formed in 2012 with **Ricky Warwick** (Vocals), **Scott Gorham** (Lead Guitar), **Robbie Crane** (Bass) **Chad Szeliga** (Drums) and **Christian Martucci** (Lead Guitar). They are often billed as the next step in the evolution of **Thin Lizzy** however **BSR** offer far more than that: high energy rock anthems with skilfully intertwined guitars, extremely powerful vocals with a unique sound designed to leave you wanting more. **BSR** released their debut album *All Hell Breaks Loose* (2013) which was promptly followed by *Killer Instinct* (2015), *Heavy Fire* (2017) and *Another State of Grace* (2019) proving that **BSR** continues to hone their craft as a band, in that you can feel their chemistry on stage. Certainly a fitting headline act for the **Stonedeaf 2020 Tommy Vance** stage.

Rock party band **Terrorvision** are enjoying a resurgence of their popularity, following the '**Britrock Must Be Destroyed Event**' which saw the band play alongside other 90s iconic bands: **Reef, The Wildhearts** and **Dodgy** in 2018 and a number of shows to celebrate the 20th Anniversary of the release of the iconic LP "**Regular Urban Survivors**". The lineup of: **Tony Wright** (vocals), **Mark Yates** (guitar), **Leigh Marklew** (bass), **Milly Evans** (keys) and **Cam Greenwood** (drums) will certainly take the party up a notch in August and should not be given the label of a nostalgia act. **Terrorvision** has true Yorkshire grit with a host of hits from *Tequila*, *Alice What's the Matter*, *My House*, *D'ya Wanna Go Faster to Oblivion*, the vibrant rockers guarantee to get you bouncing, singing along and waving your arms in the air.

Legendary Scottish rockers **GUN** will bring an arsenal of hooky riffs and catchy songs to the **Stonedeaf 2020 Tommy Vance** stage. Celebrating 30 years since the release of their 1989 debut album *Taking on The World*, which saw the band tour with **The Rolling Stones** on their *Steel Wheels* tour in 1990. Momentum continued to gather when the band release *Gallus* in 1992 and an arena tour with **Def Leppard** followed. The Glasgow quintet recently released the double album *R3LOADED*, featuring an amalgamation of their best singles from the band's seven albums such as *Steal Your Fire*, *Better Days* and *Don't Say It's Over*, and a collection of cover songs, including the song that gave them a household hit *Word Up* by **Cameo**, for which the band won the prestigious **MTV Europe Music Award for Best Cover**. **Dante Gizzi** (vocals), **Jools Gizzi** (guitar), **Paul McManus** (drums), **Andy Carr** (bass) and **Tommy**

**Gentry** (guitar) never fail to deliver, and are guaranteed to put on one hell of a show for the **Stonedeaf** faithful!

World-renowned New York AOR melodic hard rockers **Tyketto**, fronted by **Danny Vaughan** offer a plethora of trademark melodies filled with riffs that fans know and love. In 2019, the band celebrated with a *25th Anniversary Tour*.

Southern 70's blues influenced hard rock doesn't get much better than the **Kris Barras Band** fronted by guitarist and vocalist **Kris Barras**; providing an explosion of gritty, hard rock blues, with killer riffs.

Birmingham's very own **Blaze Bayley** returns to Newark having previously performed in 2018 with **Wolfsbane**; this time bringing a UK summer exclusive of his **Iron Maiden** years.

**Tygers of Pan Tang** hail originally from Whitley Bay and fully capture the raw spirit of classic **NWOBHM**. **Tygers of Pan Tang** bring their full swagger and galloping riffs for our pleasure and enjoyment.

Guitarist **Myke Gray** founder and song writer of **Skin, Jagged Edge and Red White and Blues** has joined with **Kim Jennett**. This collaboration brings a new vibe to **Skin** songs, as well as showcasing her own material; the songstress exudes a passion for rock'n'roll.

Since 2016, London based **Dead Man's Whiskey** have rapidly built a reputation as a hard working 'one to watch' U.K **NWOCR** band. With big vocals, huge guitar hooks, energetic performances and catchy as hell choruses, this 5 piece will offer a scintillating performance to kick off **Stonedeaf Festival 2020**. The production team feel that **Dead Man's Whiskey** have definitely gravitated from 'ones to watch' to 'right here and now' and are a deserving winner of the **2020 Opening Poll Competition**.

The legend that is **Krusher Joule** is acting as compere for the day. **Stonedeaf's** stellar line-up aims to excite both classic and new rock fans in providing a unique one day, one stage festival where the music is loud, the beer and food are priced competitively and you can camp / park 5 minutes from the level ground arena.

The festival is solely organised by volunteers and created for music fans, **Stonedeaf** is a festival experience not to be missed. With a free signing tent brought to you in conjunction with **Planet Rock Radio**. We have a dedicated covered **wellbeing area** with seating and sun cream! We allow alcohol to be brought into the arena - 4 cans of ready mixed spirits or beer / cider. **Stonedeaf Festival** is carrying on its solid tradition of bringing both well known and new rock bands to **Newark Showground, Nottinghamshire**.
