Stonedead are happy to announce the very special guests **Black Star Riders**, adding another top class name to the already phenomenal 2023 festival line-up. Eleven years, five albums, countless tours. By anyone's standards that's an impressive work rate but this is the commitment that Black Star Riders have to their craft. Music, you see, is in their blood, their very DNA. To see them live is to see the embodiment of rock 'n' roll, the quartet working as one unstoppable machine, the grit and passion radiating from the stage almost overwhelming and we cannot wait for them to join the stellar line-up on the 26th of August at the Newark Showground.
